

FULL-SERVICE LIVE PRODUCTION SUPPORT FOR MUSIC FESTIVALS AND CONCERTS

Broadcast Management Group (BMG) is a team of industry professionals with a passion for live production. We are a **one-stop production provider** and we stand ready to deliver **customized, turn-key video production services** for all your **live music events**. Our goal is to make your project as smooth and seamless as possible. We want our clients to see us as a **valued partner** who is instrumental in achieving their objectives and who helps bring live music to the masses. BMG treats each production not as a one-time project, but as an **opportunity to build a lasting relationship**.

OUR LIVE MUSIC CAPABILITIES

- Complete video village design and build-out
- Technical engineering, planning and coverage for simultaneous performances on multiple stages
- Robust recording and data management capabilities, including day-of editing and 'live to drive' functionality
- Procurement, management and engineering of all production resources
- Management of all live transmissions, including live streaming and encoding to single or multiple online channels
- Full production staffing, including event photographers and ENG crews
- Event staging, lighting, rigging and permitting capabilities
- Artist management services
- Graphic design and post production services
- Social media and digital engagement services

WHO WE WORK WITH

BMG works directly with networks, concert promoters, event companies, venues and independent producers. We're capable of producing anything from one-off concerts to multi-day festivals covering multiple stages. We are hired for our expertise in producing live music events.

SERVING A GLOBAL MARKET

BMG has operations in New York, DC and Los Angeles, but we routinely produce live music projects all over the country and abroad. We go where the music takes us. We can leverage our domestic and international network of resources that we've developed over the last 10 years to produce live music projects at a moment's notice.

CLIENT TESTIMONIAL

"The team at BMG are wonderful to work with. They are incredibly organized, have the ability to scale to large and complex projects while maintaining great attention to detail, are expert problem solvers ... and are able to effectively interface / manage a wide variety of personalities — talent, technical staff, directors, etc. I recommend BMG enthusiastically."

Dennis O'Brien, Executive Producer
